Prompt

Write a letter to your local newspaper in which you state your opinion on the effects computers have on people. Persuade the readers to agree with you.

Essay

[1.] Some experts are concerned that people are spending too much time on computers , and I believe that they are correct. [2.] Most kinds would prefer to be on the computer chatting with friends on line or spending hours on facebook but what is the point of this when there is a whole world to explore , they don ' t enjoy nature like they should , and they spend less time with family and friends. [3.] If you are on the computer twenty four hours a day , seven days a week how are you supposed to get enough exercise. [4.] Well that ' s the problem you don ' t get any exercise. [5.] Some might disagree with me but the truth is , moving your hand over the mouse doesn ' t count. [6.] A recent survey has been conducted and @ CAPS2 said that out of the @ PERCENT1 of kids who own a computer @ PERCENT2 are over - weight or in danger of being over - weight. [7.] @ CAPS2 is sad to think that technology has taken over so much that @ CAPS2 is ruining people ' s lives. [8.] I go on the computer @ CAPS1 too , but I am always sure to ride my bike after or go for a hike with my family @ CAPS1 of the times I have softball practice so I ' m not able to go on the computer anyway. [9.] Now what about the beautiful things in nature @ CAPS1 of us are missing. [10.] The outdoors is one thing most of us take advantage of , some of us have @ CAPS3 seen a day - lily are at night and new ones grow the very next day. [11.] This is a fascinating area that @ CAPS3 see because they have a computer screen in front of their face. [12.] Kids really should learn to balance technology and the more important things in life like protecting nature and exercising. [13.] Yes , I know , that some will disagree by saying , " but I am saying the rain forest , or the @ LOCATION1 , by being a member of this website. [14.] " @ CAPS2 ' s true you are helping but doing @ CAPS2 yourself would feel a whole lot better. [15.] For example you could get a group and clean up the streets in your neighborhood or help plant trees in the park. [16.] The most important thing in life is family and friends , technology should.
