Prompt

Write a persuasive essay to a newspaper reflecting your views on censorship in libraries. Do you believe that certain materials, such as books, music, movies, magazines, etc., should be removed from the shelves if they are found offensive? Support your position with convincing arguments from your own experience, observations, and/or reading.

Essay

Honestly there 's al ot of books and ma ga gi ves that need to be taking off the self . I can remember in the sixth grade going to the schools library and picking up a book that not only told me w ha weed was it told me how to grow it ! Also al ot of book refer to drug and sex now a days and a bs ol ut ly hate it ! The last book I checked out , even though it is been a while se nce i ve checked one out , had enough refer ance s to sex that i could honestly say I thought I was read a p orn magazine . Our schools really need to watch what they put onto there self s . I mean come on sixth graders shouldn t even be able know what weed is ! Let alone read about it in school ! maybe that why kids get interested in drugs and a cho le at such an early age . The book I read didn t have any negative sat ments about the weed . what makes anyone think that a book like that would keep kids from doing drugs ? Like I said before al ot of book in schools and pub ic library s have books that refer a lot to drugs and sex . They have books now in our library that tell you what the drugs are , what kind of high it ' ll give you . And were you can buy the crap to make them ! Ok I know im in high school but you should have book that seem like pro n magazines . The book i read have pictures of post ions in it ! it broke everything down into details ! It even gave websites on the back of the book . And that my friends is not alright . Its just sad . It is just starting to scare me about what kind of stuff my little brother and little sister could be reading . Doesn ' t it scare you ? I know I don t want my siblings to be reading about drugs and sex in detail . Let al ont them reading about it at all . just take the books off the schools and pub ic library s self s . Hard ly anyone will read them anyway . And if they do its by accident like mine in co unt ers where
