Prompt

Write a persuasive essay to a newspaper reflecting your vies on censorship in libraries. Do you believe that certain materials, such as books, music, movies, magazines, etc., should be removed from the shelves if they are found offensive? Support your position with convincing arguments from your own experience, observations, and/or reading.

Essay

Movies is to pop corn as music is to head phones . Right ? It is all fun and games until someone ' s innocence is completely destroyed . The simplest forms of entertainment are being mini pu lated by today ' s world . Many of the children in our modern society are quickly becoming conditioned and used to seeing and react ing to media found in the everyday store , shop , or library . The innocence of the youth today is slowly being destroyed by the sub lim inal messages found in music , magazines , and movies . The messages are all the same in each type of media : sex , drugs , and violence . The world of music has evolved so much over the past decades of time . We go from jazz , disco , funk , rock , hard rock , to hip - hop / rap . All of these types belonging to a certain decade . But in our era , the music industry is exploding with rap and hip - hop music . This type of music is triggered towards the three ideas of sex , drugs , and violence . Almost every song that is heard today on the radio or on your i P od will most likely have something to do with one of those three . The sense of being so naive and so innocent is broken after listening to these songs every time the radio is on . The youth does not need to be listening to this whatsoever and therefore , parents should be more aware about what their children are listening to and should think more about the effects that the media has on them . Recently , more and more people are turning to articles and segments of works to read instead of the ' good old fashioned ' novels . The novels that were written before our era are clean and none x plicit . But today , literature has gone down a new course . More and more , @ OR GA NI Z AT ION 1 companies are becoming less t rad ional and more up front about topics that are sexual , violent , or drug related . For example , in @ OR GA NI Z AT ION 1 , you will see articles strictly pre taining to sex - like actions . Po ssi bly on the other side of the page , you will see an ad for @ CA PS 1 cigarettes . Soon enough , kids are going to think that everything they are seeing and looking at will be okay and soon act upon it . The libraries that are offering these magazines for rental should restrict children from reading them due to the lack of modest y and
