Write a response that explains why the author concludes the story with this paragraph. In your response, include details and examples from the story that support your ideas.

Essay

The author ended the story that way to show that Saeng won't give up and is determined to complete her task. The author wants the reader to understand Saeng's very sad and wants to overcome being homesick. Saeng is very much like the hibiscus plant, she's frail and beautiful. Saeng says she will do her test again when the hibiscus is budding, almost like she's growing along with the plant.
