Essay

The author ended the story with the paragraph of Saeng vowing to retake the test in the spring, because he wanted to show that the geese and the hibiscus plant represent a sort of rebirth or revival to Saeng. He wanted to end the story on a positive note. Spring is an archotyal season. It is a season of birth and growing. Saeng saw the hibiscus after she failed the first test. It took her to her memories back in Vietnam, which comforted here she believes that maybe when she sees the plant flourishing and she geese returning, she will experience that same revival again.
