

Predicted scores:

ULRA: 1.4

Our: 1.0

The author leaves the story there because it keeps you guessing on what is going to happen. That is really all you need to know about the story. The important parts the author has told already & the future is a whole different story. It doesn't matter if Sa eng passes the test or what happens over the winter. The author has told us everything to know about the importance of this person & her mother
