It's true @CAPS8 they say, time flies when you're having fun. On a particularly warm @DATE1 @TIME1, a rehearsal was in session for the wonderful production of "The @CAPS1 @CAPS2" and I was bringing my best friend, @PERSON2 some cheap but delicious food. We talked and ate for a while but eventually it was time for me to go. @CAPS3 we were walking down the stairs to get to the back doors of the building I asked if they needed any help with the play. "@CAPS3 a matter of fact we do!" @CAPS7 said enthusiastically. "We need a ladies costume @CAPS4."I had absolutely no idea @CAPS8 that meant, but I felt that the position had potential. I replied with confidence.@CAPS3 I began to talk to her more about @CAPS8 I would @CAPS12 doing @CAPS7 said that @CAPS7 had to go because break was over. "@CAPS12 here at @NUM1 tomorrow morning and you'll learn everything you need!" @CAPS7 said hurriedly.@CAPS3 @CAPS7 ran off into the theatre I could hear the lead of the play beginning his lines. "In my younger and more vulnerable years, my father gave me some advice...."I left feeling more happy and excited than I have felt in months. The next morning I made my way to the theatre which is located at the school which I previously attended. It felt odd going back there but at the same time so completely normal...
